## OCTOBER EDITION

### GREETINGS

Dear Parents and Guardians,

As we settle back into the school year, I would like to extend a warm welcome to all of you. It has been a busy and exciting term, with students making excellent progress both academically and socially. In this newsletter, we have included photos of recent events and the CBA calendar for the academic year 2024/25.

Wishing you all a lovely break,

Siobhán, Ciara, Erica & Shona.

### CLASSROOM-BASED ASSESSMENTS

A Classroom-Based Assessment (CBA) is a project completed during school time that allows students to demonstrate their understanding and skills in a specific subject area. CBAs are an important part of the Junior Cycle curriculum, as they focus on students' research, critical thinking, and creativity.

## STUDENT OF THE MONTH

Well done to Rose Forsyth and Jamie Murphy, our September and October recipients of the Student of the Month award.

Rose and Jamie were commended for living out the school values of kindness, respect, participation, and hard work.

## SADAKO AND THE PAPER CRANES

The Second Years worked extremely hard making paper cranes to help the art department prepare for the exhibition 'Sadako and the Paper Cranes'. The message of the exhibition is one of peace and hope in remembrance of the devastation of the atomic bombing of Hiroshima.
